

BAHAMAS FLYING ADVENTURE 2016

March 6 – 11, 2016

5 Day / 4 Nights

- Day 1 & 2 - Green Turtle Cay on Great Abaco Island
- Day 3 & 4 - Stella Maris on Long Island

Meet in Fort Pierce, FL (KFPR) on Sunday, March 6 for a morning departure to Treasure Cay Airport (MYAT). After clearing Bahamian customs at Treasure Cay we will ride a taxi to the ferry and cross over the water to Green Turtle Cay. The ferry will deliver us to the Bluff House Beach Resort* in time to enjoy lunch. The resort is perched on the highest point of Green Turtle cay and has been described as the most special piece of property in the Abaco Islands.

On Tuesday, March 8 **those that want to venture** further down the island chain, will depart Treasure Cay for Stella Maris (MYLS) on Long Island. While flying down the island chain to Stella Maris, we will stop at Staniel Cay (MYES) to swim with the pigs and visit Thunderball (007 Bond) Grotto. We will probably have lunch at Staniel Cay before flying down the Exuma Island chain and across to Stella Maris for a mid afternoon arrival.

Stella Maris Resort Club* is located on the northern end of Long Island. A tranquil island where nature abounds, where ocean and beaches are at their best, with an unhurried pace of life and with islanders, much known for their old fashioned hospitality. Activities at Stella Maris Resort include, kayaking, 3 swimming pools, biking, small sail boat, paddle boards, snorkeling trip and beach excursion. Weekly evening entertainment will finish each day with a bit of island culture. Rooms depict the remote island life, as they do not have TV or Wi-Fi.
